A HANDS-ON THEATRE EXPERIENCE FOR AGES 8 - 18

Since 1976 more than 2000 young people from Western Massachusetts, Eastern New York, and Southern Vermont have participated in Starlight's summer theatre program. We are the oldest continuously operating summer theatre in Berkshire County, after the Berkshire Theatre Festival and the Williamstown Theatre Festival. Each summer, approximately thirty young people between the ages of 8 to 18 produce a full length (sometimes two) play which is performed for four evenings before a general audience. Students learn how to interact with others and experience the rewards of working together to produce a show. Most just do Starlight because it is fun, but many of our past company members have gone on to careers as actors, directors, technicians, and designers in theatre, film, and television. In addition to acting in the production, students work with set design and construction, costume design, property management, make-up, publicity, lighting & technical work and more.

Register early as space is limited! There is a limited amount of need-based financial aid available to early registrants.
